
Schoology and Academic Intervention

— 09/10/2021 —

Schoology, BlackBoard and Google classroom

1. Replacement of BlackBoard or Google classroom;
2. Assignments, resources, and calendar announcements for ALL of your classes and groups will be available in this new tool;
3. Parents can log into Schoology using the same account as their SIS ;

What information can we get from Schoology?

1. Assignments, updates, events and overdues;
2. Grades might be posted in Schoology, but must be posted in SIS;
3. After-school activities and clubs can be found under groups;
4. FCPSschools.net and Schoology account are connected.

What were missing from last year's learning?

1. Some standards are de-emphasized;
(Algebra 1, for example)

De-emphasized standards:

Translating expressions Standard A.1.a

Solving Compound Inequalities A.5

Systems of Inequalities A.5

Converting linear equations to standard form Standard A.6.b

Direct and Inverse variation Standard A.8

Quadratic Formula Standard A.4.b

Cube Roots and Simplifying square roots of monomial algebraic expressions Standard A.3.b and A.3.c

What can parents/students do to make it up?

1. Work on the de-emphasized standards;
2. Review the current overview (VDOE) of last year's course and find out area of weaknesses;
https://www.doe.virginia.gov/testing/sol/standards_docs/mathematics/index.shtml
3. Review this year's course overview (VDOE) and see what prior knowledge is required.

Resources

1. Standards of Learning Documents for Mathematics

https://www.doe.virginia.gov/testing/sol/standards_docs/mathematics/index.shtml

2. MATHEMATICS QUICK CHECKS

https://www.doe.virginia.gov/testing/sol/standards_docs/mathematics/2016/jit/index.shtml#a1

3. For AP or IB students, check CollegeBoard or IBO website

<https://apstudents.collegeboard.org/courses/ap-calculus-ab>

<https://ibo.org/programmes/diploma-programme/curriculum/mathematics/>

Remember:

**Your teachers have full access to all the resources,
so don't hesitate to ask them for support!**
